Fiscal Year Budget 15

1837

CITY OF MASCOUTAH

COUNCIL BUDGET GUIDANCE FY 2014-2015

The City Council's role and responsibility is to annually provide the City Manager updated budget guidance by January 31st annually validating the City funding priorities under the 5-Year Financial Plan. All proposed Capital Expenditures exceeding \$20,000 and not specified in the 5-Year Financial Plan shall be accompanied by a request for funding detailing a cost benefit analysis and anticipated impact if not funded.

The City Manager is tasked to:

- 1. Prepare a balanced budget by fund.
- 2. Hold annual personnel salary increases to the same provisions of the Laborer's contract.
- 3. Identify and implement a health insurance program to obtain an affordable plan compliant with the Affordable Care Act (ACA).
- 4. Manage TIF 2B funds in accordance with the Uptown Plan and TIF 2B Development Plan; Continue to identify and fund TIF2B projects in accordance with the Uptown Plan and TIF2B Development Plan. Fund one section of street in the road improvement program.
- 5. Execution of engineering and easement acquisition phases for the construction and develop alternatives and funding as appropriate for the construction of Fuesser Road Phase II, Harnett Street and extension of 10th Street with an emphasis on obtaining the best value for the taxpayer. Work with Finance Committee on timing of construction phase to maximize return and minimize financial risk.
- 6. Continue to develop and fund LED street light replacement program and develop a program for new developments to include LED street lights.
- 7. Identify and appropriately fund FAR/CIP projects.
- 8. Hold the line on utility rate increases but adjust to capture increases from suppliers.
- 9. Continue the plan to get the Ambulance Fund out of debt and to maintain positive balances in the General Fund and Park and Recreation Fund. Establish reserves for the General Fund and Park and Recreation Fund.
- 10. In conjunction with implementing a Property Maintenance Code, allocate funds towards derelict properties (i.e. possible demolition, property cleanup, etc.).
- 11. Continue plans and funding for the "100K" road improvements program and water main replacement program. Utilize un-allocated oil and chip MFT funds to complete a section of street in the road improvement program.
- 12. Plan and fund for annexation at airport and potential TIF to the north and west.

City of Mascoutah Budget Calendar, FY 14/15

January 15, 2014	Department Budget Worksheets and Memo to all Department Supervisors.
January 22-29, 2014	City Manager and Finance Coordinator meet to discuss budget worksheets and notes with all departments
January 31, 2014	City Manager received/reviewed Budget Guidance from Council
February 12, 2014	Finance Committee meeting to review draft budget expenses, revenues, budget guidance, projects, and plans, utility rates, budget notes, and recommendations to Council
February 19, 2014	Finance Committee meeting final review, if necessary
February 24-26, 2014	Budget to Council for Review before Budget Workshop
March 3, 2014	Budget Workshop 6:00pm with extended discussion on FY15 Budget and Finance Committee's recommendations
March 5, 2014	City Clerk sends pertinent information for City FY15 Budget Hearing to publish March 17th.
March 17, 2014	Budget Workshop if necessary before Hearing
	Budget Public Hearing 6:30pm, First Reading FY15 City Budget, FY15 Budget distributed and copy for public review posted
April 7, 2014	Council meeting, 2 nd reading and FY15 Budget vote (And, pass ordinance for rates as proposed if not cpi increase)
April 30, 2014	Last date possible for Budget approval by state law. Copies of the Annual Budget are on file in City Hall, the Library, and posted on the City Web Site. FY15 approved budget distributed to all departments.
May 30, 2014	Last day to file Certified Copy of Budget with the County Clerk (within 30 days of adoption)

CITY OF MASCOUTAH City Manager's Office

Council Memo

TO:

Honorable Mayor and City Council

FROM:

Finance Committee: Tim Boyce, Jim Kuehn, and Mike Rodick

SUBJECT:

FY14-15 Budget - Final Recommendation

DATE:

February 20, 2014

The Finance Committee wishes to report our final recommendations for the City's FY14-15 Budget.

MEETINGS/PROGRESS:

<u>February</u>- we met concentrating first on the expenses, then revenues, and finally projects, debt. insertions, and recommendations

THE BUDGET NUMBERS:

- Total Budget proposed Revenues exceed Expenses.
- Budget Proposed By Fund all funds for FY15 net positive when calculating revenues
 minus expenses without project expenses other than IMRF, Business District and Debt
 Service Fund. IMRF and Debt Service Fund use levy dollars plus cash on hand. The
 Balance Sheet for these two funds remains positive showing the cash available for the
 debt payments. The Business District is a separate fund this fiscal year to show the sales
 tax revenue collected vs. the expenses in the Business District for accounting purposes.
- The projects included in the budget for the Light Fund are directly related to the fund's negative net balance after project expenses budgeted.

FINANCE COMMITTEE RECOMMENDATIONS OVERALL:

- 1. The proposed FY15 budget includes assumptions and insertions recommended by the Finance Committee and the budget as forwarded is adoptable as we approve.
- 2. We do, however, as in the past, recommend that once the budget is approved the City move slowly during the first and second quarter with discretionary spending in order to have time to insure the revenues anticipated from the state are actually received.
- 3. The Committee recommends following the ordinance using cpi calculation for utility rates.
- 4. The Committee recommends conservative increases where applicable for any revenues.
- 5. The Committee is dedicated to continuing to improve fund balances and reserves.

We believe this completes our service to the Council related to the FY15 budget. We would like to assist with any questions and support the budget process. It is our understanding that the City Manager will inform us of future budget related meetings, the budget hearing, and any additional questions or concerns from Council.

Tim Boyce, Chairman Finance Committee

City Manager's Budget Message, FY 2014/2015

To the Citizens of Mascoutah

Transmitted with this letter is the proposed annual Budget for the City of Mascoutah. This Budget has been prepared in accordance with the City Code and Illinois Compiled Statutes and represents a balanced budget wherein proposed expenses do not exceed anticipated revenues and carried forward cash reserves. For purposes of brevity, the Budget Year 14-15 will hereafter be referenced as FY 15, or '15 budget.

OPENING COMMENTS

The City of Mascoutah's residential population has grown in the past eight years. Our commercial growth continues with a slower trend. Surrounding communities such as Shiloh, O'Fallon, and Belleville have also seen similar growth trends. Population and related geographic expansion of these communities have combined to change the nature of the East St. Clair Region, in which Mascoutah is located.

During this period of growth, the pressures on local government have evolved from providing basic "core services" to that of ensuring that long-term planning and infrastructure are adequate to meet both local and regional pressures.

The City's annual budget process is probably one of the most important policy/goal statements that can be made by an Elected or Governing Body. Each community possesses a unique set of customary programs and service delivery expectations from both its residents and business community. Annually, the City of Mascoutah's Council, staff and residents embark on a process to assemble a financial and budgetary plan that delivers customarily expected service levels while seeking to improve programs and the overall management efficiency of the City. The main purpose affiliated with the annual budget process is to define the upcoming year's objectives and allocate adequate financial resources to achieve these goals. As is always the case, fiscal and other resource limitations will usually create some barriers in achieving all of the desired goals and outcomes. Service expectations, the desire to improve management practices and some overriding limitations combine to make each annual budget process a unique experience in policy development. This year's budget (as usual) presented both unique opportunities and problems during its assembly. Because public budgeting is integral to the delivery of "core services" and the quality of life enjoyed by all Mascoutah Residents, I am respectfully providing the Budget Summary to outline some of these issues for those reading this transmittal letter. In this summary, I hope to outline some of the key budget issues relating to the upcoming fiscal year while defining some of our future policy and fiscal challenges facing us as well.

PROPOSED FY 15 BUDGET SUMMARY

The proposed FY 15 budget has been prepared in a manner consistent with past practice and based on fiscal policies. This year's budgetary decisions have been conducted in cautiously optimistic fashion while conservative tendencies have been utilized to guide spending, debt management, revenue forecasts, and fund balance objectives. In aggregate, these budgetary practices have served Mascoutah residents well. During the past years, Mascoutah has accommodated changing economic conditions, met the increased demands for service as well as constructed hundreds of thousands of dollars of necessary infrastructure improvements.

Throughout the duration of Mascoutah's growth, numerous City Councils (and individual elected officials) have successfully provided services, improved infrastructure, and developed an effective climate for employees, all enhancing the quality of life in Mascoutah. Enduring several cyclical changes in the economy, Mascoutah has been able to capitalize on these conservative tendencies and move forward. As you begin your review of this budget, you will find that even in the toughest of fiscal times, our ability to react quickly to changing economic conditions provided Mascoutah policy makers the ability to provide solid government services.

OVERALL FY 15 BUDGET HIGHLIGHTS

Overall, the revenue budget is \$21,376,608 representing a 19.46% increase from the previous year's budgeted amount. This revenue increase includes several funds and categories: the enterprise funds related to the electric and water/sewer utilities as related to an increased number of customers in the City with a 1.3% increase in water/sewer rates and a 0.0% increase in electric rates has changed plus fuel tax adjustment average has increased, operating funds expects slightly increased taxes along with other misc fees and increased census numbers, and the biggest increase in revenues is related to non-operating funds since the revenues include \$2,750,000 in loan proceeds being borrowed for various street projects anticipated to complete this fiscal year. Additionally, this year there is separate fund to track the business district income and the special service area income.

Overall, the FY15 budget expenditures are anticipated to be \$20,149,275 representing a \$2,060,561 increase or 11.39% increase from the previous year's budget. Personnel services are budgeted to increase \$129,996. Budget guidance, union contracts, worker's compensation insurance, health care coverage, imrf, and police pension costs are combined to generate this aggregate increase. General expense increases \$51,547. Monitoring & Permits decreases (\$750). Utilities increase \$41,650. Maintenance & Repair decreases (\$330,500). Supplies & Equipment decrease (\$2,725). Professional Service increases \$135,445. Wholesale/Retail decreases (\$46,727). CIP/FAR increases \$169,900. Project costs increase \$1,508,980. Debt costs increase \$378,365.

Below you will find a table, which represents the City's aggregate fiscal status in all funds for the past two budget cycles as well as FY 15.

OVERALL FISCAL STATUS								
Actual FY '13 Anticipated FY '14 Proposed FY '15								
(all with Library in)	With projects	With projects	With projects					
Revenues	17,286,880	17,896,926	21,376,608					
Expenditures	15,790,002	17,017,596	20,149,275					
Net Difference	\$1,496,878	\$879,330	\$1,227,333					

The proposed FY 15 Budget will see aggregate fund balances increase. The vast majority of the anticipated increase is affiliated with project loan income, police pension statutes, debt changes, plus project planning changes.

OPERATIONAL EFFICIENCIES

Monitoring the financial health of an organization must include a broader spectrum than analyzing operating/capital balances as well as overall debt. The operational efficiencies of an organization can provide insight into whether the organization's operating culture is prepared for the challenges of the future. The ability to meet increased service demands through reliance on worker productivity as well as improved management techniques has a significant impact on the cost of local government borne by the Residents of the Community. Below you will find a table representing some of these issues from a statistical standpoint.

Comparison (Fiscal Year)

F.T. Employees/1000 Residents Electric Rates/kw used Water Rates/1000 Gallons Sewer Rates/1000 Gallons

2009/10	2010/11	2011/12	2012/13	2013/14	2014/15
6.82	6.67	6.66	6.54	6.41	6.41
\$.0658	\$.0668	\$.0678	\$.0678	\$.0678	\$.0678
\$5.32	\$5.59	\$5.67	\$5.67	\$5.67	\$5.75
\$5.66	\$5.83	\$5.92	\$5.92	\$5.92	\$6.00

As the previous table indicates, many of the Municipal costs to Mascoutah Residents affiliated with running City Government have remained stable for the past few years using income and reserves to operate, to spend money on infrastructure improvements, and to develop and grow. Mascoutah Residents enjoy a most comparable municipal tax rate. The City is very competitive with surrounding communities. It is important to note that previous to the increases in 2008/09, sewer rates had not changed with an increase or decrease since 1989 while water rates had not changed since 2003 and electric rates had not changed since 1997. Developers have seen an increase in water, sewer and electric connection fees as per approved ordinances. The City will continue to attempt to operate within its means prior to any significant policy changes with regard to taxes or other user revenues. In aggregate, the cost of Mascoutah's local municipal government remains a good bargain compared to other similar communities.

FY 15 Expenditures

When highlighting the most significant expenditures affiliated with the proposed Budget, it is important to note those expenditures, which focus upon the maintenance of "Core Services" in the Community. "Core Services" include the basic health, safety and welfare programs that ensure Residents' safety and comfort. These expenditures are divided by major categories and represent the most significant costs affiliated with the proposed Budget.

Personnel - Provides for an overall 2.53% increase in salaries/benefits, \$126,996 proposed budget to last fiscal year budget and this includes salaries for all full-time, part-time, council stipends, employer taxes, insurance, worker's compensation insurance, retirement, and employee physicals, drug tests, shots, and licenses. These expenses that are applicable to all personnel from all funds are included in the overhead calculation to relieve general fund burden for all insurances, etc.

General Expenses – Provides for an overall 9.31% or \$51,547 increase primarily for planning and development tif studies and general insurance for all city property and equipment.

Utilities – Provides for an overall 9.78% or \$41,650 primarily due to the accounting change posting Ameren Gas bill expenses separate from the lump sum revenue received annually from Ameren to offset the cost. Noteworthy, an increase in expenditures in this category for electric, water, and sewer directly correlates with an increase in revenues from utility services to customers.

Professional Services – Provides for an overall 32.26% or \$135445 primarily due to the change for computer services to CTS and adding computers, fiber, and ipads to this service, the electric rate study, and contractual services for fees related to credit card payments for utility bills.

Programs

- Includes funding for the Leu Center. \$35,680 (note: \$12,830 transfers back to general fund in the overhead calculation for personnel, building insurance, etc).
- Includes funding for the Historical Society Museum & Cemetery Chapel, \$6,000. There is currently an agreement that if the utilities or expenses for the Historical Society exceed \$6,000 then they will pay the overage.
- Includes funding for Senior Center Utilities/Maint \$9,000 for either utilities and/or maintenance as recommended by Finance Committee.
- Includes for sponsoring the community wide Fourth of July celebration. \$0.00 (costs covered in the past in full by donations and proceeds, City cost related to man hours applicable to plan, prepare, and execute).
- Includes funding for the City Pool and seasonal benefits available for the Customers of Mascoutah to enjoy.

Equipment and Other

- Includes police car investments \$41,000, and \$50,000 for all police vehicles to be equipped with video plus the software and the server for this
- Includes crack sealer for streets \$47,000 and \$2,500 for salt sprayer
- Includes air compressor \$10,000
- Includes 6th St circuit \$175,000
- Includes storage building for electric distribution \$248,000
- Includes lot improvements continued for electric distribution \$15,000
- Includes wire puller \$12,600
- Includes furnishing water/sewer building \$30,000 split

FY 2014/2015 Budget Message

- Includes pump house generator \$50,000
- Includes brickyard generator \$45,000
- Includes down payment for 2 heart transmission defibulators \$16,000
- Includes minimal computer upgrades \$5,000
- Includes police mobile data equipment \$20,000
- Includes other minimal equipment replacement for park, cemetery, maintenance, pool, fire, and police

Projects

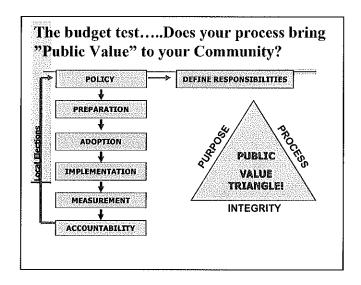

- Provides funding for the Street replacement program
- Provides funding for waterline replacement program
- Provides funding for manhole linings
- Provides funding for sidewalk and ramp improvements
- Provides funding to continue work with Electric Phase II
- Provides funding for infiltration program
- Provides TIF2b infrastructure improvement projects
- Provides funding for wastewater treatment plant Phase I
- Includes funding for several grant match and applications

Closing Comments and the Importance of Good Fiscal Management

Over the past several years, we have been very fortunate to produce "net positive operating results" in most of the major funds on an annual basis. The City has also made significant strides in analyzing the enterprise funds and planning for the needs of the future. Moving forward in FY 14, we will be closely monitoring the progress of the budget on a monthly basis to determine if revenue forecasts are accurate and that spending levels stay within or below budget. Prudent financial monitoring of the aggregate budget leads to successful fiscal management and the pursuit of net positive operating results in the City's main operating funds.

The proposed FY 14 Budget is being advanced as a solid policy tool to guide the City staff through the agreed goals and objectives over the next year directed by Mayor and Council. The budget has been prepared in a cautiously optimistic fashion. Adequate resources are allocated to continue providing solid core services for Mascoutah Residents. As always, providing quality customer service is our main goal as a unit of local government.

In closing, I refer you to the public value triangle below which represents the culmination of our budget efforts this year.

- <u>Purpose</u> stands for the value brought by a caring and prudent elected body, providing solid leadership direction with public purpose in mind.
- <u>Process</u> stands for sound managerial systems and accepted public budgeting practices which result in good service delivery.
- Integrity stands for sincerity, stability and overall culture of the public organization.
- <u>Public Value</u> stands for the overall community value resulting when all three sides of the triangle are connected.

It is in the spirit of improved public service that I execute this budget message and forward this document on for consideration by the Honorable Mayor Gerald E. Daugherty, and the City Council of the City of Mascoutah.

Cody Hawkins, City Manager

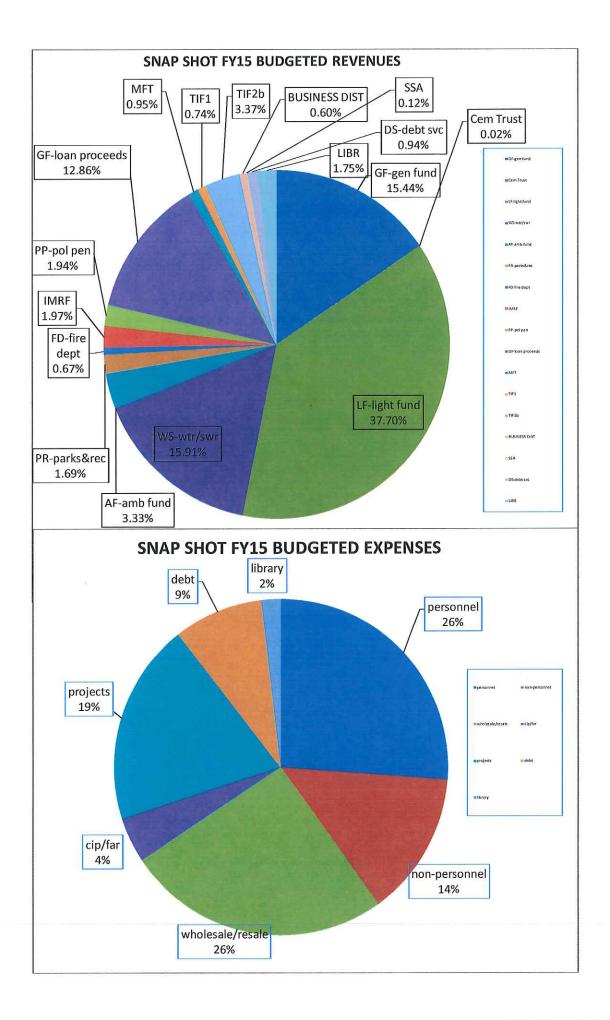

City of Mascoutah

### **EXPENSES SECTION**

City of Mascoutah

Fiscal Year Budget 15

### **EXPENSES**

The Expenses section provides all information regarding City budgeted expenses for FY15. It begins with expenses at a "super summary" level, and then provides detail information at department levels. Each department section provides information about organization, sub-functional divisions, mission statements, and in some cases; targeted goals.

# EXPENSE DETAIL LEVEL

City of Mascoutah

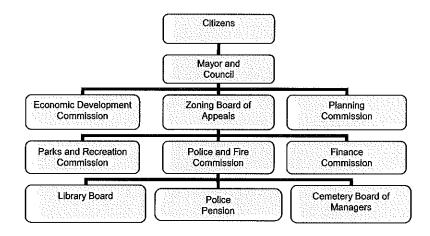

Fiscal Year Budget 15

# LEGISLATIVE BRANCH

City of Mascoutah

Fiscal Year Budget 15

# Legislative Branch Fiscal Year '15

### **Summary of Basic Function**

The Legislative Department of the City includes all functions relating to the City Mayor and Council. This includes City wide Legislative and Policy efforts.

### The Role of the Mayor and City Council

The Mayor and four City Council members act as the political head of the City. They are elected on a staggered basis. They are responsible for setting policy, approving the budget, determining the tax rate, and formulating broad long-term policies that outline the City's public function. The City Manager is appointed by the Council to carry out policy and ensure that the entire community is being served. The City Manager makes policy recommendations to the Council, but the Council may or may not adopt them and may modify their recommendations. The City Manager is bound by whatever policy action the Council takes.

The Mayor is Chief Elected Officer of the City and presides over all meetings. The City Council meets in formal session the 1st and 3rd Monday of every month.

Council related expenses are funded with the Administrative – General Government budget.

The City has commissions that are specialized in specific subjects. The Mayor, with advice and consent of the Council, appoints members to the Planning Commission, Economic Development Commission, Police and Fire Commission, Police Pension Board and other ad hoc commissions from time to time. The commissions make recommendations to the Council, and the Council makes decisions based on those recommendations. Below are descriptions of each formal committee.

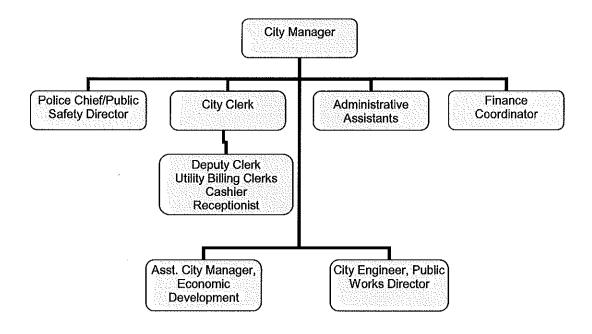

- Planning Commission: This commission meets on a monthly basis and reviews pending
  development and annexation proposals for the City of Mascoutah. Members address proposed
  developments and annexations from a planning perspective by comparing the proposed land use
  to the City's Comprehensive Plan document. The commission formally votes and makes
  recommendations to the City Council.
- Zoning Board of Appeals: This commission consists of members that are appointed by the Mayor with the advice and consent of the Council as required by state statute. The commission evaluates variances, appeals, and special use zoning requests. The final determination regarding variance requests are concluded by the Zoning Board of Appeals while zoning recommendations are forwarded to the City Council for final review and determination.
- **Economic Development Commission**: This commission facilitates promotion of commercial, industrial, and residential development in the City. This commission meets on a monthly basis and the activities are coordinated through the Economic Development Coordinator. This commission makes recommendations to the Council on matters essential to the economic development of the City as expressed in the City Comprehensive Plan document.
- Police and Fire Commission: This commission meets on an as needed basis. This commission
  is responsible for the selection and appointment of the municipality's full time sworn police
  officers as set forth by the Illinois Compiled Statutes and City Code
- **Police Pension Board**: This commission meets on a monthly basis. These members oversee the investment of Police Pension Fund Reserves as provided in the Illinois Pension Code.
- **Finance Commission**: This commission meets on a monthly basis. The purpose of the Finance Commission is to assist the Council and City staff in the development, review and promotion of sound fiscal policies and procedures for the City.
- **Library Board**: This commission meets on a monthly basis to govern the operations of the public library and library services.
- Parks and Recreation Commission: This commission meets on a monthly basis. This commission assists the Council in the promotion of parks and recreation in the City.
- Cemetery Board of Managers: This commission meets on an as needed basis to make recommendations to the Council with regards to the maintenance, care, repair, or ornamentation of the City's cemetery, lots, and graves.

# **ADMINISTRATIVE DEPARTMENT**

City of Mascoutah

Fiscal Year Budget 15

# Administrative Department Fiscal Year '15

## **SUMMARY OF BASIC FUNCTIONS**

The Administrative Department serves and finances many matters of City wide concern. The <u>City Manager</u> is the Chief Administrative Officer (CAO) appointed by the Mayor and City Council to manage the day to day operations of the government with duties and authorities as defined by referendum established Council – City Manager form of government. All Department Heads and Consultants are responsible to coordinate their activities through the City Manager or his/her designee. Additionally, the City Manager acts as the Chief Budget Officer and is responsible for the interpretation, advisement and supervision of Council Policy.

The <u>Public Safety Director</u> in addition to Police/EMS leadership manages the Emergency Services Disaster Agency. This role has the responsibility to provide an emergency preparedness plan for the City Government. This will ensure safety and a well-devised course of action in case of a catastrophe. All costs affiliated are in house.

The <u>Finance Coordinator</u> monitors and balances accounting, and provides reporting associated with City finances. These tasks include: forecasting revenues and expenditures, monitoring investments and cash reserves, overseeing accounts receivable/payable, payroll, utility billing, monthly financial reports, and assists with formulating the City's Tax Levy. Additionally, the Finance Coordinator oversees the computer software system.

The <u>Administrative Assistants</u> supervise the daily scheduling affairs of the City Manager and maintains and oversees the production of documents and correspondence. Additionally, this position is responsible for performing research, organizing applicable projects and coordinating responses to formal citizen inquiries to the City Manager. The Administrative Assistant also serves as <u>Deputy Clerk</u> to the Appointed City Clerk and assists with tasks for the City Engineer, Economic Development Coordinator, and Public Works Director. Additionally, this position oversees the pool management in the summer.

The <u>Administrative Assistant/Accounts Payable Clerk</u> is a full time assistant to the City Manager, City Engineer, Economic Development Coordinator, Public Works Director, and the Finance Coordinator while working with the Administrative Assistant. This employee also oversees all accounts payable functions coordinating purchase orders and payments for all departments on a monthly basis. Additionally, this position assists with pool management in the summer.

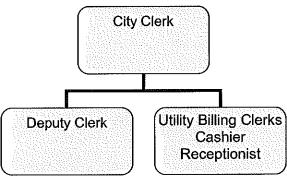

The <u>City Engineer</u> reports to the City Manager. The position supervises and performs City related engineering functions including; design review of capital projects and subdivision development; and inspections, capital improvement plans, consulting contracts and all other engineering issues. The City Engineer also oversees various consulting engineers employed by the City to perform other engineering services. In addition, the City Engineer serves as the <u>Public Works Director</u>. The Public Works Director supervises Electric, Water/Sewer, Streets, Maintenance, and Cemetery laborers. The City Engineer is responsible for overseeing the building inspector and the active inspections of all new public improvements within new developments. This person also prepares and inspects all Motor Fuel Tax Road Maintenance Projects as well as responds to local drainage complaints. He is also the Chief Building Inspector, with a contract employee to assist.

The <u>Asstistant City Manager/Economic Development Coordinator</u> is responsible for developing and implementing a City-wide (comprehensive) economic development plan. This position is responsible to the City Manager and also acts as staff liaison to the Economic Development Commission. This employee works with the Engineer on projects for the City as well as corresponds to any incoming development prospects. Additionally, this employee serves as a project manager overseeing the City's projects' progressions and expenses.

The <u>Utility Billing Department</u> is supervised by the City Clerk. This department consists of the <u>Senior Utility Billing Clerk / Network Clerk</u>, <u>Utility Billing Clerk</u>, <u>Cashier</u>, and <u>Receptionist</u>. These people are responsible for maintaining accurate accounting records regarding utility billing, accounts receivable, and cash receipting. They are responsible for service and responsiveness through counter service and telephone interaction throughout daily operating.

The City of Mascoutah also contracts annually for both Engineering and Legal Services. Mascoutah has enjoyed a long-standing relationship with the law firm Becker, Paulson, Hoerner & Thompson and the engineer firm Thouvenot, Wade, & Moerchen, Inc. From time to time the City may utilize other legal or engineering firms if a particular area of legal or engineering expertise is required.

# City Clerk Fiscal Year '15

## SUMMARY OF BASIC FUNCTIONS

The City Clerk is the custodian of all Official Records and Documents of the City. The Clerk is responsible for maintaining and filing all city records, ordinances, resolutions and all other records as required by the Illinois State Compiled Statutes.

The Clerk issues and maintains records of all city business licenses, liquor licenses, mobile home licenses, vending machine licenses, and raffle licenses. The Clerk attests to and seals all documents of the City. The Deputy Clerk fills in for the City Clerk from time to time.

The Clerk also provides Voter Registration services to City Residents and is the local election official.

The Clerk facilitates cemetery sales and maintains records of cemetery lots and burials. The Clerk attends all City Council meetings (regular and special), records meetings, and prepares and maintains minutes of all City Council meetings.

The Clerk supervises the Utility Billing Department and also provides various other duties which include maintaining and coordinating codification updates and compliance, processing Freedom of Information Act requests, providing Notary Public service, administering oaths, and handling claims for the city's liability insurance.

# Planning & Development Department Fiscal Year '15

## **Summary of Basic Functions**

The Planning and Development Department reviews all zoning, land use and land development proposals and enforces regulations related to planning and development within the City limits. The Department is responsible for all economic development activities of the City.

The Department includes one employee, the Assistant City Manager/Economic Development (ED) Coordinator. This employee manages the daily operations of the Department and reports directly to the City Manager. This employee oversees high-quality planning and development for the City by assisting the City Manager in the development and implementation of current planning and economic development programs and projects including review of development applications and plans. The Assistant City Manager/ED Coordinator represents the Department at meetings of the City Council, Planning Commission, Zoning Board of Appeals, Economic Development Commission and various sub-committees.

This person helps coordinate staff and consultant reviews, prepare meeting packets, schedule public hearings, and provides staff support to the Plan Commission, Zoning Board of Appeals, and Economic Development Commission.

Additionally, the Assistant City Manager/ED Coordinator assists with project management and all other tasks as assigned by City Manager.

# **PUBLIC SAFETY DEPARTMENT**

City of Mascoutah

Fiscal Year Budget 15

# **Public Safety Department Fiscal Year'15**

#### SUMMARY OF BASIC FUNCTIONS OF POLICE AND EMS

The City's Department of Public Safety is divided into two departments, the Police Department and Emergency Medical Services (EMS) Department; they provide services to the residents and visitor to Mascoutah twenty-four hours a day, seven days a week.

Both Departments are under the primary control of the Director of Public Safety, who is also appointed as the Chief of Police, who acts as the department head of both units. The Director reports directly to the City Manager.

The Mascoutah Police Department is committed to maintaining the safety and security of the residents and visitors to the City. The police enforce the traffic laws including DUI, speeding and other traffic violations, as well all criminal ordinances and state and federal statutes within the City of Mascoutah.

This accomplished with 12 full-time sworn officers and one civilian administrative employee.

The police cannot do their jobs without community support. By building and maintaining community contacts and relationships with businesses and citizens, we can depend on the citizens of Mascoutah to assist us and continue to make Mascoutah a wonderful and safe place to live and raise a family.

The police department has an officer liaison with the School District and a DARE program. The department also participates with the Sheriff's drug tactical unit, when staffing allows.

The members of Mascoutah EMS are dedicated to providing quality emergency care to the residents of Mascoutah and the surrounding area of the Mascoutah Rural Fire District. EMS is staffed 24 hours a day seven days a week, by well trained paramedic personnel.

The EMS division is staffed with 5 full-time paramedics and part-time paramedic personnel.

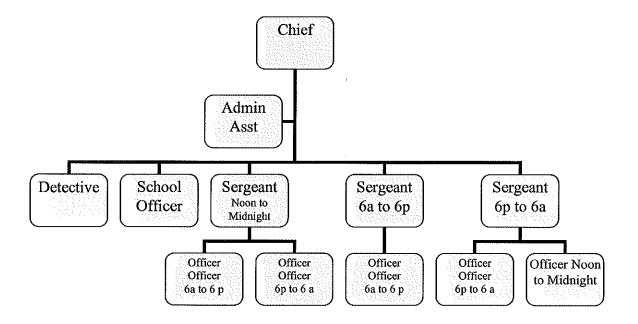

Members provide free blood pressure checks at the station and senior center.

EMS personnel will also check a child's safety seat to make sure it is properly installed.

#### POLICE DEPARTMENT EXPENSES

# PARKS & RECREATION DEPARTMENT

City of Mascoutah

#### PARKS AND RECREATION DEPT Fiscal Year'15

The City provides Park availability and recreation opportunities through a combination of City staff and non-profit organizations and volunteers within the Community. The 3 divisions within this department are indicative of the partnership described above.

<u>Parks-</u> The City owns and maintains the parks in the City, the largest of which is the cultured centerpiece Scheve P ark. Budgeting under parks division has predominantly been maintenance and grounds keeping. Modest investments are made periodically. The City Maintenance staff, supported by seasonal workers, is the man power for this division.

<u>Leu Civic Center-</u> City allocates funds annually to assist the building/ operations known as the Leu Civic Center. The Leu Civic Center is mostly youth oriented recreational operations with its own Board and funding from United Way.

<u>Swimming Pool-</u> The City owns and operates its own pool complex. The pool which was expanded to have a "zero entry" pool facility has experienced great popularity. The Administrative Assistants to the City Manager manage the pool employees, swim lessons, pool parties, and scheduling.

#### **PUBLIC WORKS DEPARTMENT**

City of Mascoutah

#### CITY OF MASCOUTAH PUBLIC WORKS DEPARTMENT

The Public Works Department is comprised of a team of dedicated individuals committed to serving the citizens of Mascoutah at the most effective level possible. The health, safety, and welfare of each resident are foremost in our minds as we perform our important daily tasks. We understand the enormous responsibility that we have to provide safe drinking water, an efficient wastewater treatment process, safe dependable electric services and a well maintained roadway system within our community. Public works department members realize that in order to keep up with today's changing environment, we must possess vision and exercise creativity. Other team members within our organization are treated with respect and cooperation as we work together with them as a unified group of individuals committed to improving the quality of life for each resident of our community.

Public works department team members strive to inspire public confidence and respect for government and believe that honesty, integrity, loyalty, and courtesy form the basis of our conduct. Our residents serve as the main priority or purpose of the Public Works Department.

#### **SUMMARY OF BASIC FUNCTIONS**

The public works responsibilities are a substantial part of the City's "core services" activities. All utility services (sewer, water, electric) are staffed within this department. Streets, storm drain maintenance and Building/ Parks maintenance are also service activities.

### **LIGHT FUND**

City of Mascoutah

## POWER PLANT/FLEET OPERATIONS CENTER Fiscal Year '15

#### **SUMMARY OF BASIC FUNCTION- Plant, Fleet**

The Plant Supervisor is responsible for the overall operation of the Power Plant, Fleet, SCADA, and Dispatchers. The 2 employees operate and maintain the plant, fleet maintenance, equipment maintenance, and they alternate the phone for call outs too. The employee's are not only light fund but split in other public works departments since the power plant production was eliminated.

# LIGHT FUND – POWER DISTRIBUTION

City of Mascoutah

# ELECTRIC DISTRIBUTION Fiscal Year '15

## **SUMMARY OF BASIC FUNCTION- Electric**

The primary function of the Electric Distribution Department is getting power to the homes and businesses in Mascoutah.

These employees are critical during storm and ice events, when power is disrupted. Increasingly, electric service must be dependable and available constantly.

The Electric Distribution Supervisor is responsible for the operation of the Electric Distribution System Department. The 6 employees repair, replace and install electric meters/power lines. This includes electric meters/power lines to new homes and businesses, installation and maintenance of street and security lights, maintenance of trees/shrubs as warranted, and locating/marking facilities as needed by the JULIE system.

The meter reader is responsible for reading meters each month for billing purposes.

# WATER/SEWER DEPARTMENT

City of Mascoutah

# WATER / SEWER DEPARTMENT Fiscal Year '15

## **SUMMARY OF BASIC FUNCTION-Water and Sewer**

The City's water and sewer systems are basic services to the community. Sufficient and safe water is an expectation of the Citizens, one provided by this department.

The Water and Sewer Departments consist of 5 full time employees. The Public Works Director is responsible for the overall operation of these two sections. The Water Department Supervisor is responsible for the overall operations of the water and sewer distribution system.

The Meter Reader is responsible for reading the meters each month for billing purposes.

The five water department employees repair, replace, and install water meters including meters in new homes and businesses. These people also provide the maintenance of the water and sewer distribution system.

# SEWER TREATMENT PLANT Fiscal Year '15

# **SUMMARY OF BASIC FUNCTION-Wastewater Treatment Plant**

The Public Works Department is responsible for operation and maintenance of the Waste Water Treatment Facility, Lift Stations, and Collection System.

The Wastewater Treatment Plant is maintained by one contract employee (TAC). This contractual agreement is funded through the Water/ Sewer Fund. The Public Works Director is responsible for the overall operation of this department.

All EPA guidelines must be met and maintained at all times.

# STREETS DEPARTMENT

City of Mascoutah

# STREET DEPARTMENT MAINTENANCE DEPARTMENT Fiscal Year '15

# **SUMMARY OF BASIC FUNCTION-Street and Maintenance**

Safe streets and functional storm drain facilities are increasingly a priority for the City. The City is a patchwork of old 'chip and seal' narrow streets and ditches as well as modern new subdivisions with concrete/ asphalt structures. As such, continuous maintenance on road patching and surface repairs is a major workload daily. Tree limb removal and green waste yard maintenance are also this sections responsibility.

The Public Works Department is responsible for operation and maintenance of the entire City infrastructure. This includes city street and right-of-way maintenance, along with public buildings and grounds.

Some of the main duties include the maintenance of streets, curb and gutters, sidewalks, bike paths, storm sewers, storm water retention ponds, shoulders/ditches, trees, City landscaped areas, grass cutting and snow removal.

The City has also enabled a program (Roads replacement program) to improve the roads in Mascoutah. Each year \$150,000 will be invested in replacing a segment of 'chip and seal' streets with a fully improved, asphalt street profile. Over the coming years travel ability and reduced maintenance will be the results.

Also under this section is the Maintenance Department servicing all buildings and grounds for the City.

# **CEMETERY EXPENSES**

City of Mascoutah

# CEMETERY DEPARTMENT Fiscal Year '15

# **SUMMARY OF BASIC FUNCTION-Cemetery**

The Cemetery Department is responsible for operation and maintenance of the City Cemetery. This includes working with the Cemetery Trust Board who governs a separate cash flow amount restricted for the cemetery as specified by the Board.

The Cemetery Department consists of one full time employee and two part-time employees in the summer to assist with grounds keeping. The City Manager and Public Works Director work together to administer communication for the overall operation of this department. This department maintains the cemetery, oversees burials, works closely with surrounding funeral homes for scheduling, and repairs as needed.

# FIRE DEPARTMENT

City of Mascoutah

#### **Fire Department**

The City maintains Fire Services in partnership with the Mascoutah Rural Fire District with Voluntary Firemen & Leadership.

This extraordinary group of professionals serves all firefighting and emergency response needs of Mascoutah. They maintain excellent response times and service to the Citizens each year. Their performance meets or exceeds those Cities in the area, even those communities that have full time departments.

### **IMRF EXPENSES**

City of Mascoutah

Fiscal Year Budget 15

#### **IMRF FUND and FICA**

#### **SUMMARY OF BASIC FUNCTION**

#### Illinois Municipal Retirement Fund:

The Illinois Municipal Retirement Fund (IMRF) is created by Illinois law under Article 7 of the Illinois Pension Code (Illinois Compiled Statutes, Ch. 40, 5/7-101 to 5/7-222). Since 1941, the Illinois Municipal Retirement Fund has provided employees of local governments and school districts in Illinois with a sound and efficient system for the payment of retirement, disability, and death benefits.

The retirement plan IMRF offers is a defined benefit plan. In a defined benefit plan, the amount of the retirement benefit is based on a member's final salary and his/her years of service. An IMRF employee must complete eight years of service to be vested. The employee contributes 4.5% of their salary to IMRF. The City's contribution rate changes annually based on actuarial information directly related to the City's account. This is funded through the property tax levy except for the enterprise funds that generate income from utilities. The rate for 2013 was 12.96% and the rate for 2014 is 12.91%.

#### **Social Security and Medicare:**

Social Security and Medicare taxes are calculated using the employee's gross salary. The gross wage is not reduced for IMRF contributions. The rate for social security is 6.2% paid by the employee and City pays 6.2% on wages up to the wage base, which changes annually. The rate for medicare is 1.45% and is paid by both the employee and City on the entire gross salary.

### LIBRARY EXPENSE

City of Mascoutah

Fiscal Year Budget 15

### **Mascoutah Library**

The City has its own excellent Library serving the community. For completeness, the annual budget includes the Library. The City's role in this important operation is to adopt an annual tax levy.

The Library maintains its operation through its own Board which oversees its activities annually. It is an efficient, well run operation that provides excellent service to the Citizens.
