

Mascoutah Fire Department

During an emergency every second counts and valuable time can be saved finding you if your address number is not posted clearly.

Even though you may have your address numbers displayed already, the Mascoutah Fire Department has highly visible reflective address signs available if you are interested. For \$15 you can get a predrilled aluminum reflective green sign (6" x 18") with your address numbers on both sides. We would prefer them to be mounted on your mail box, mail box post, or on a stake at your driveway/lane entrance, and visible from either direction. We can put the numbers on the sign so that it can be mounted vertical or horizontal. The \$15 is for the cost of materials only. **The department makes no profit from these signs.** The only benefit we receive is being able to locate an address faster.

If you live in a rural area of our district and already have your address numbers displayed, we prefer the green reflective signs over any other type of sign because they can easily be seen from far distances both day and night. For residents living in town, please have your house number visible near your front door.

A picture of what the signs look like can be seen below. Precious seconds are wasted every time that we have to slow down to check for house numbers that are poorly marked, please help us find you faster. If we (Fire - EMS - Police) cannot find you, we cannot help you!

If you are interested, please complete the order form below and drop it off at the Mascoutah Firehouse with payment any Tuesday night between 7-8 pm or mail it to:

Mascoutah Fire Department
PO Box 68
Mascoutah, IL 62258

Once completed, a department member will call you to discuss delivery/installation of the sign. If you have any questions please call us at 618-566-2970

Size: 6" x 18"
