Friday & Friday pick-ups will be collected on Saturday.

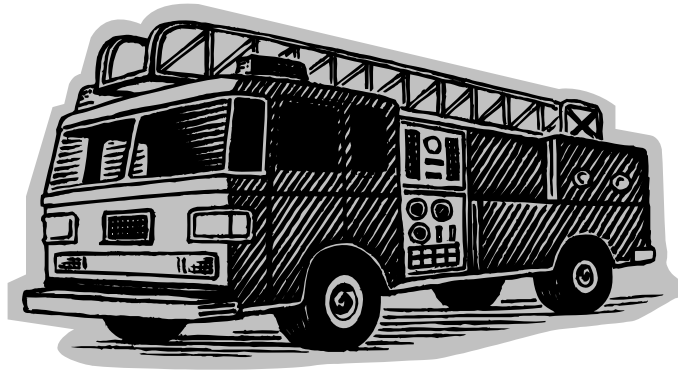

Please do not rake leaves into the street. Leaves and debris piled in the street and on the ground can cause streets and homes to flood. Residents can prevent storm-water flooding by disposing of leaves and yard waste properly and promptly, and by keeping streets and storm drains near their homes and businesses free from debris. The City does not have a leaf pickup program and the Street Department can not remove all the leaves from the storm grates, especially during heavy rains. Property owners are responsible for properly disposing of leaves and yard waste. If you use a yard maintenance service, please let them know they should not blow or rake the leaves into the street or alley.

The City offers a free alternative to dispose of yard waste. This site is located at 511 South 10th Street by the Sewer Treatment Plant. Grass clippings, shrubs, leaves and tree limbs are accepted. Hours of Operation: Summer (June 1 thru Sept 30) -Wednesday 8 am to 2 pm and weekends 8 am to 7 pm; Fall/Winter (October 1 thru May 31) - Wednesday 8 am to 4 pm and weekends 8 am to 4 pm. . This service is offered to residents who live within the city limits of Mascoutah.

Trick-Or-Treat Hours: 6 p.m. to 8 p.m. on Saturday, October 31st.

Homeowners wishing to invite Trick-or-Treaters should leave an outside light on. Drivers are asked to proceed with caution.
