FIRST AMENDMENT TO THE FINAL DEVELOPMENT AGREEMENT – DSS PROPERTIES, LLC AND SDS STORES, INC. D/B/A EDDIES, INC. (FIRST READING)

City Manager presented report for Council consideration of approval of the first amendment to the final development agreement for Eddies Fuel Cell/Convenience Store and Huddle House Restaurant Project with DSS Properties, LLC and SDS Stores, Inc. d/b/a Eddies, Inc. by adoption of Ordinance. Shawn Flynn with Gilmore & Bell was present to answer questions.

Mayor asked if the right turn lane was included in the cost of Perrin Road. City Manager stated that the right turn lane is included in the total cost.

Mayor asked if the amount of the tax exempt bond is going to be identified in the development agreement. Shawn Flynn explained that the final bond amount will fluctuate until the actual bond is issued so the amended agreement includes the original amount but adds the section c stating that the bond amount will not exceed what the sales tax revenue study can support.

Councilman Grodeon expressed concerns with how this bond will impact the City's credit. Shawn Flynn explained along with City Attorney that the City has no financial risk and has no credit risk with the payback of the loan. Shawn Flynn stated that the bond will be paid back with the sales taxes generated and any loss will fall back on the bond holders and the business owners.

Councilman Weyant asked about the biodiesel fuel. City Manager stated that there is no mandate at this time that a gas station has to carry it; it is up to the owner to decide if they want to carry it or not.

First reading. No action required.

City Manager presented report for Council consideration of approval and authorization of bid for furnishing and applying oil and chip sealing on various streets identified for the 2014 Oil & Chip Program.

Schorr moved, seconded by McMahan, to approve the low bid of \$49,999.20 for oil to Don Anderson Company of Hoffman, IL and to reject the bid from DMS Contracting Inc. of Mascoutah, IL for the 2014 MFT Oil and Chip Program.

OVERVIEW 1ST QTR FY14/15 SUMMARY - REFERENCE PAGE = SNAP SHOT

The Snap Shot shows the City is within the target numbers on the budget at 1st quarter FY14/15 with 25% posted.

The Snap Shot overview shows the City reports posted revenues at 24.70% or \$5,188,812.05.

The Snap Shot overview shows the City reports posted expenditures at 21.69% or \$4,289,944.71.

REVENUES: REFERENCE PAGE = CONSOLIDATED REVENUES - SUPER SUMMARY

There are 5 categories of revenues that distinctly did not post the budgeted revenues as expected at 1st Quarter. Please refer to the <u>Consolidated Revenues - Super Summary</u>.

1. Taxes Received - Utility

	BUDGETED DEPOSITS		ACTUAL 1ST QTR
ACTUAL DEPOSITS	AS OF JUL-1ST QTR	DIFF AT 1ST QTR	PERCENTAGE
AS OF JUL-1ST QTR	(25% OF ANNUAL BUDGET)	BUDGETED-ACTUAL	(SHOULD BE 25%)
\$85,278.02	\$89,631.75	(\$4,353.73)	23.79%

This category is slightly under budget due to the utility taxes directly correlated with the electric and water utility tax that is calculated based on the utility bills. This category should increase as the fiscal years progresses since utility bills. generally fluctuate and increase with the colder weather.

2. Grants Received - Loan Draw Down for Street Projects

	BUDGETED DEPOSITS		ACTUAL 1ST QTR
ACTUAL DEPOSITS	AS OF JUL-1ST QTR	DIFF AT 1ST QTR	PERCENTAGE
AS OF JUL-1ST QTR	(25% OF ANNUAL BUDGET)	BUDGETED-ACTUAL	(SHOULD BE 25%)
\$0.00	\$687,500.00	(\$687,500.00)	0.00%

This category is used to track the loan draw downs for the major street projects as the City borrows the money. The City has not drawn down any to date.

3. Reimbursements and Fines

	BUDGETED DEPOSITS		ACTUAL 1ST QTR
ACTUAL DEPOSITS	AS OF JUL-1ST QTR	DIFF AT 1ST QTR	PERCENTAGE
AS OF JUL-1ST QTR	(25% OF ANNUAL BUDGET)	BUDGETED-ACTUAL	(SHOULD BE 25%)
\$90,785.57	\$99,439.25	(\$8,653.68)	22.82%

This category includes court fines, violations, and payroll contributions. This category will increase as the fiscal year progresses.

6. Debt Recovery/IMRF Reimb

	BUDGETED DEPOSITS		ACTUAL 1ST QTR		
ACTUAL DEPOSITS	AS OF JUL-1ST QTR	DIFF AT 1ST QTR	PERCENTAGE		
AS OF JUL-1ST QTR	(25% OF ANNUAL BUDGET)	BUDGETED-ACTUAL	(SHOULD BE 25%)		
\$28,788.63	\$36,401.25	(\$7,612.62)	19.77%		

This category is slightly under budget primarily because it is the category that collects the payroll contributions and the City has paid 6 of 26 payrolls to date. This will level off as the fiscal year progresses and the months with 3 pays are included.

City Engineer Public Projects – Status Report

MEETING DATE: August 18, 2014

Major Street Project - Fuesser Road Improvements, Phase 2

• TWM's engineering contract for this project was approved at the December 16, 2013 City Council meeting for a lump sum amount of \$129,000.00.

- This project will be constructed according to similar standards as Phase 1, we will need to acquire some additional right-of way and some utilities will need to be relocated. The estimated construction cost is approximately \$1.25M.
- This section of Fuesser Road will have curb & gutter on both sides with an open ditch on the north side from 6th Street to just east of Townsend Square and a 5' wide sidewalk on the south side from 6th Street to IL Rte. 4. We have decided to postpone construction of a right-turn lane at Rte. 4 until such time that additional traffic is generated from new development activities.
- The bid date for this project is set for September 15th and the bid results will be presented at the City Council Meeting that evening. Construction is expected to begin in early October with storm sewers and drainage ditches to be completed by the end of the year.
- This project will be funded with a Bank Loan or Line of Credit.

Major Street Project - Harnett Street Improvements, Phase 2

- DMS Contracting was awarded a contract for this project at the July 7, 2014 City Council meeting for a lump sum amount of \$1,339,663.45.
- The existing street width between 6th Street and IL Rte. 4 is 36'. Narrowing the street 4'on the north side will allow for constructing a 5' sidewalk, minimize impacts to adjacent properties and does not require additional right-of-way.
- The open ditches between Grant and North County Road will be eliminated and storm sewers will be added and no additional right-of-way will be required.
- This project will be funded with a Bank Loan or Line of Credit and TIF 2B funds.

Major Street Project - North 10th Street Extension

- Kuhlmann Design's engineering contract for this project was approved at the January 6, 2014 City Council meeting for a lump sum amount of \$107,820.00.
- The estimated construction cost to provide a 32' street with a 10 wide combination bike/walking trail or bike-lane and 5' wide sidewalk from Hackberry Street to Winchester Street is approximately \$0.95M.
- Construction will not start this year but we are proceeding with plans in order to identify
 the right-of-way needs, extent of utility adjustments and associated costs that will need to
 be funded for the improvements.
- Staff plans to relocate the power line as soon as preliminary plans are completed and construct a new water line to cross the Big Ditch and tie in to stub lines on the four deadend streets.
- The roadway improvements will be funded with a Bank Loan or Line of Credit and the utility adjustments will be funded with Electric and Water Funds.

Major Electric - Phase 2

- A new 138kV Transmission Line is planned to connect the South Switching Station to the North Substation. This line will be located on the east side of Route 4 next to Ameren's existing transmission line.
- A public information meeting was held on April 1, 2013 to present the project scope and the preliminary designed power line alignment to property owners and interested parties.
- Staff is currently looking at a modification to the southern alignment to minimize adverse impacts to property owners and waiting on Ameren to finalize design for required isolation switches near our Breaker Station before proceeding with ROW negotiations.
- This phase of the project will be paid for with the City's Electric Fund. The total project cost is estimated at \$6M which includes a new North Substation to replace the existing Switching Station and Substation.

\$100K Water Main Replacement Program

- This project was awarded to Haier Plumbing of Okawville, Illinois for \$128,605.00 at the November 18, 2013 City Council Meeting.

It also includes a new 8" water main on 6th Street from State to South Street and relocating meters from the rear yards to the front yards of twenty properties.
- This project is complete except for final close-out documentation.
- This project will be paid for with Water Funds.

2013 Roads Program

- This project consists of reconstructing **Green Street** from Railway to 2nd Street; **Church Street** from 2nd to 6th Street and **Independence Street** from Church to Oak Street. This project will also consist of milling and resurfacing: **South Street** from Railway to Maple; **Market Street** from State to Phillips; **George Street** from Jefferson to Market; **Green Street** from Railway to Market and **Patterson Street** from Jefferson to Independence.

- The pavement was poured on November 15th except for the tie-in at Rte. 4 and the IDOT required right-turn lane.
- Construction of the tie-in and right-turn lane started on April 7th and the last pavement section was poured on June 11th. The remaining grading and seeding work should be completed by the end of this month weather permitting.

SUBJECT: First Amendment to the Final Development Agreement – DSS

Properties, LLC and SDS Stores, Inc. d/b/s Eddies, Inc. (Second

Reading)

MEETING DATE: August 18, 2014

REQUESTED ACTION:

Approval of the First Amendment to the Final Development Agreement for Eddies Fuel Cell/Convenience Store and Huddle House Restaurant Project with DSS Properties, LLC and SDS Stores, Inc. d/b/a Eddies, Inc. by adoption of Ordinance.

BACKGROUND AND STAFF COMMENTS:

On September 6, 2011, the City Council approved by motion a Final Development Agreement with DSS Properties, LLC and SDS Stores, Inc. d/b/a Eddies, Inc. The core of the original agreement included establishment of a Business District and the imposition of a 1% sales tax for a period of up to 23 years to fund the construction of improvements to Perrin Road. Taxable bonds were to be issued for the Perrin Road project for an amount not to exceed \$750,000. Additionally, the City pledged 1% of its portion of regular sales tax generated (1.25%) from the project towards repayment of the issuance of a tax exempt bond. Tax exempt bonds were to be issued for project costs not to exceed \$1.815 million or 30% of the total cost of the project, whichever was the lesser. The amount of sales tax generated from the project, based upon the pro forma submitted by the developer, determined the bond amount in the original development agreement.

The project was completed at a cost of approximately \$6.8 million and has been in operation since the middle of January this year. Perrin Road was constructed at a cost of approximately \$650,000. Prior to the issuance of the bonds, it is required that independent revenue studies are prepared. Development Strategies, Inc. of St. Louis prepared revenue studies for the Huddle House project. The revenue study came in lower than the developer's revenue study and therefore the tax exempt bond amount for the project has been decreased to \$1,416,437. Along with specifying the amount of tax-exempt and taxable bonds to be issued based upon the independent revenue studies, it has also been recommended by our bond counsel that we amend the Development Agreement to include specifically how the developer is to report sales tax revenues, and lastly, that the developer agrees to prohibit all retail entities located on the property from selling any biodiesel fuel that is presently exempt from sales taxes as provided in the Sales Tax Acts while any of the bonds issued by the City for the project are outstanding.

RECOMMENDATION:

Staff recommends that the Council approve the First Amendment to the Final Development Agreement.

SUGGESTED MOTION:

I move that the City Council approve Ordinance 14-____, Approving an Amendment to the Final Development Agreement among the City of Mascoutah, DDS Properties, LLC and SDS Stores, Inc. d/b/a Eddies.

FORM OF FIRST AMENDMENT TO FINAL DEVELOPMENT AGREEMENT

FIRST AMENDMENT TO FINAL DEVELOPMENT AGREEMENT

THIS FIRST AMENDMENT TO FINAL DEVELOPMENT AGREEMENT (this "Amendment") is made and entered into as of ______, 2014 (the "Effective Date"), by and among the CITY OF MASCOUTAH, ILLINOIS, a home rule municipality organized as a municipal corporation of the State of Illinois (the "City"), DSS PROPERTIES LLC, an Illinois limited liability company ("DSS") and SDS STORES, INC. d/b/a EDDIES, INC. ("SDS" and collectively with DSS, the "Developer"). Capitalized terms used herein and not otherwise defined shall have the meanings set forth in the below-defined Original Development Agreement.

RECITALS

- A. The City and the Developer are parties to a Final Development Agreement dated May 16, 2012 (the "Original Development Agreement" and, together with this Amendment, this "Agreement"), pursuant to which the Developer agreed to construct a project described therein (the "Project") on the real property described on Exhibit A hereto and the City agreed, in recognition of the Project's potential for job creation and stimulation of further investment, to provide the Developer with certain incentives to assist in the development of the Project.
- B. The City and the Developer desire to amend the Original Development Agreement to, among other things, clarify certain terms of the Original Development Agreement, including the amount of tax-exempt and taxable bonds to be issued by the City.

AGREEMENT

NOW THEREFORE, in consideration of the above premises and the mutual obligations of the parties hereto, each party hereby agrees that the Original Development Agreement shall be and is hereby amended as provided below.

- 1. Amount of Tax-Exempt Bonds. Notwithstanding anything in the Original Development Agreement to the contrary, the amount of tax-exempt bonds to be issued to reimburse the Developer for eligible project costs (net of capitalized interest, costs of issuance and any reserve fund requirement) will be the least of (a) \$1,815,000, (b) 30% of the total cost of the Project, or (c) the amount supported by the revenue study prepared by Development Strategies as determined by Stifel Nicolaus & Company, Incorporated.
- 2. Amount of Taxable Bonds. Notwithstanding anything in the Original Development Agreement to the contrary, the amount of taxable bonds to be issued to pay or reimburse the City for improvements to Perrin Road (net of capitalized interest, costs of issuance and any reserve fund requirement) will be \$650,000.
- 3. Cooperation in Determining Sales Tax Revenues. The Developer agrees to cooperate and take all reasonable actions necessary to cause (a) the sales tax levied by the State of Illinois and collected on the City's behalf by the Department of Revenue pursuant to the Illinois Retailers'

Attachment B

Occupation Tax Act, 35 ILCS 120/1 et seq. and the Illinois Service Occupation Tax Act, 35 ILCS 115/1 et seq. (the 1% local portion), and such other authority as shall be applicable pursuant to any successor statutes that result from retail sales of all businesses located at the Project (the "Sales Tax Revenues") and (b) the one percent (1%) retailers' occupation and service occupation tax imposed by the City pursuant to the Business District Act and collected from all retail sales of all businesses located at the Project (the "Business District Sales Tax Revenues") to be paid into the funds and accounts as provided in the trust indentures authorizing the bonds, including the City's enforcement and collection of all such payments through all reasonable and ordinary legal means of enforcement.

To assist the City in calculating Sales Tax Revenues and Business District Sales Tax Revenues, the Developer (or its successor(s) in interest as owner or owner(s) of the Project) agrees to use all reasonable efforts to:

- (a) Cause businesses operating within the Project and required by law to file a Sales Tax Report, to file a separate Sales Tax Report for each separate business operation within the Project in order to separately identify and declare all Sales Tax Revenues and Business District Sales Tax Revenues.
- (b) Cause any business operating within the Project and required by law to file a Sales Tax Report, to designate sales subject to the Sales Tax Acts to be reported as originating from within the Project to the fullest extent permitted by law (including, but not limited to, the inclusion of a clause so providing in any subleases of the Project).
- (c) Cause any retail business operating within the Project and required by law to file a Sales Tax Report, at the time of each filing of an Illinois Department of Revenue form ST-1 or any successor reporting form with the Illinois Department of Revenue, to provide a copy of such form to the City.
- (d) Cause any retail business operating within the Project and required by law to file a Sales Tax Report, to supply or cause to be supplied the appropriate authorizations to the Illinois Department of Revenue in substantially the form attached hereto as **Exhibit B** to provide such information directly to the City.

The Developer agrees to cooperate and to take all additional reasonable actions necessary to ensure accurate calculation and deposits of all Sales Tax Revenues and Business District Sales Tax Revenues. The City shall arrange with the Illinois Department of Revenue for the systematic receipt of sales tax information for the Project.

The Developer consents to the (a) release to Stifel, Nicolaus & Company, Incorporated and its consultants by the appropriate officials of the City, of the Sales Tax Revenues and Business District Sales Tax Revenues generated from sales occurring at the Project, and (b) continuing disclosure of such sales tax information as part of any continuing disclosure obligations undertaken in connection with bond financings relating thereto.

For the purposes of Sections 3 and 4, the following terms shall have the following meanings:

"Sales" shall mean all taxable transactions pursuant to the Sales Tax Acts, including sales of qualifying food, drugs, medical appliances, items required to be titled or registered and all other general merchandise from the Project as required to be reported in the Sales Tax Reports.

"Sales Tax Acts" shall mean the Service Occupation Tax Act (35 ILCS 115/), the Retailers' Occupation Tax Act (35 ILCS 120/) and any new or successor statutes or enabling authority authorizing the imposition of taxes on Sales or transactions similar to those subject taxation pursuant to the acts set forth in this sentence.

"Sales Tax Report" shall mean any of forms ST-1, ST-2 and ST-556 and any reports of taxable Sales required to be filed pursuant to the Sales Tax Acts, including any successor or comparable forms promulgated by the Illinois Department of Revenue.

Any purchaser or transferee of real property upon which the Project is situated, and any lessee or other user of such real property, shall use all reasonable efforts to timely furnish to the City such documentation as is required by this Section 3. So long as any bonds issued by the City for the Project are outstanding, such obligation shall be a covenant running with the land and shall be enforceable as if such purchaser, transferee, lessee or other user of such real property were originally a party to and bound by this Agreement.

- 4. Bio-Diesel Fuel. The Developer covenants to prohibit all retail entities located on the Property from selling any biodiesel fuel that is exempt from sales taxes as provided in the Sales Tax Acts while any of the bonds issued by the City for the Project are outstanding. So long as any such bonds are outstanding, such prohibition shall be a covenant running with the land and shall be enforceable as if such purchaser, transferee, lessee or other user of such real property were originally a party to and bound by this Agreement.
- 5. Ratification and Approval. This Amendment is made in accordance with Section (10)b of the Original Development Agreement. Except as modified herein, the Original Development Agreement is hereby ratified and confirmed, and except for the modifications contained herein, all other terms and conditions of the Original Development Agreement shall remain unchanged and in full force and effect.
- 6. Binding Effect. This Amendment shall be binding upon the Developer and the City and their respective successors and assigns.
- 7. Counterparts. This Amendment may be executed in counterparts, each of which shall be deemed an original and all of such counterparts, taken together, shall constitute one and the same agreement, even though all of the parties hereto may not have executed the same counterpart of the Amendment.
- 8. Severability. If any provision of this Amendment shall be unlawful, then such provision shall be null and void, but the remainder of this Amendment shall remain in full force and effect and be binding on the parties.

Staff Report

Honorable Mayor and City Council

FROM:

Cody Hawkins City Manager

SUBJECT:

Issuance of Sales Tax Revenue Bonds (Huddle House Project) Series

2014A and Taxable Business District Revenue Bonds (Huddle House

Project) Series 2014B (First Reading)

MEETING DATE: August 18, 2014

REQUESTED ACTION:

Approval of the Ordinance authorizing the issuance of Sales Tax Revenue Bonds (Huddle House Project) Series 2014A and Taxable Business District Revenue Bonds (Huddle House Project) Series 2014B in accordance with the terms of the Development Agreement with DDS Properties, LLC and SDS Stores, Inc. d/b/a Eddies.

BACKGROUND AND STAFF COMMENTS:

In accordance with the Final Development Agreement with DSS Properties, LLC and SDS Stores, Inc. d/b/a Eddies, Inc., the City committed to issuing Sales Tax Revenue Bonds and Taxable Business District Revenue Bonds to finance some of the development costs for the Huddle House project. The agreement included establishment of a Business District and the imposition of a 1% sales tax for a period of up to 23 years to fund the construction of improvements to Perrin Road.

Taxable bonds were to be issued for the Perrin Road project for an amount not to exceed \$750,000. As noted earlier, Perrin Road was constructed at a cost of approximately \$650,000. Additionally, the City pledged 1% of its portion of regular sales tax generated (1.25%) from the project towards repayment of the issuance of a tax exempt bond. Tax exempt bonds were to be issued for project costs not to exceed \$1.815 million or 30% of the total cost of the project, whichever was the lesser. The project was completed at a cost of approximately \$6,781,898.87. As noted previously, the revenue study prepared by Development Strategies came in lower than the developer's revenue study and therefore the tax exempt bond amount for the project has been decreased to \$1,416,437, which is lesser than 30% of the total cost of the project.

RECOMMENDATION:

Staff recommends that the Council approve an Ordinance authorizing the issuance of Sales Tax Revenue Bonds (Huddle House Project) Series 2014A and Taxable Business District Revenue Bonds (Huddle House Project) Series 2014B and approving documents and actions in connection with the issuance of the bonds in accordance with the terms of the Development Agreement with DDS Properties, LLC and SDS Stores, Inc. d/b/a Eddies.

SUGGESTED MOTION:

I move that the City Council approve Ordinance 14-___, authorizing the issuance of Sales Tax Revenue Bonds (Huddle House Project) Series 2014A and Taxable Business District Revenue Bonds (Huddle House Project) Series 2014B and approving documents and actions in connection with the issuance of the bonds in accordance with the terms of the Development Agreement with DDS Properties, LLC and SDS Stores, Inc. d/b/a Eddies.
